6825 UPHAM STREET, ARVADA, COLORADO 80003

Beautiful Mid-Century Modern with Original Character and Charm! This unique Arvada home has everything you're looking for. Located on an oversized lot near Olde Town Arvada it features a new roof, new gutters, and new exterior paint, quiet covered patio, plus a large greenhouse. Inside you'll find gorgeous original solid oak floors, a classic wood burning fireplace with stone surround, charming cove ceilings, and large bright windows. Homes at this price point in turn-key condition are becoming very difficult to find. However the true value in this home is its potential. With it's oversized level lot there is room for a detached garage/shop and you'll still have room for RV/toy parking. The 1211 square feet of unfinished basement provides you with the ability to easily finish the basement and double your livable space now or in the future. Don't miss your opportunity to own this classic Arvada brick ranch home!
